ENGINEERS REPORT OF THE SUNAPEE
FIRE DEPARTMENT

Year ending December 31, 1951

The company has answered 3 Bell Alarms and 14 still alarms this year. The Burkehaven Hotel burned in January 1951. Total loss but was insured.

We are still hoping to be able to replace Hose 1 Truck in the near future. The rest of the equipment is in good shape.

Physical examinations were given at the school by Dr. Joseph Thomas of all those participating in sports and of the 2nd., 4th. and 6th. grades. Visual acuity tests were given by Dr. Ralph Benson in April.

Mrs. Madeline Jordan, R. N. relieved the local nurse for her vacation in August.

The Home and Community Welfare Committee of Lake Grange helped finance some much needed dental work and the Sight Conservation Service of N. H. made it possible to obtain vision examinations and glasses for needy children.

I wish to express my appreciation for the cooperation received during the past year for all who are interested in the nursing services to the community and the school. I especially thank the members of the Board of the Lake Sunapee Nursing Association and express my deep sorrow at the loss of one of its members, Mr. Alden Gamsby, who served faithfully for several years and took a great interest in our nursing program.

Respectfully submitted,

FLORENCE P. ROLLINS, R. N.

Public Health and School Nurse of Sunapee

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Sunapee:

I submit herewith my fourth annual report as Superintendent of Schools.

ENROLLMENT

The enrollment for the school year 1951-52 is 188, divided as follows:

Elementary Grades — 139

(1-8)

Senior High — 49

(9-12)

We are continuing the set-up of last year whereby five teachers handle the pupils in Grades 1-7. Grade 8 comes under the High School unit and is handled by the Senior High staff. It is still necessary, under our present organization, to use Room X, in the basement, as a class room.

TRANSPORTATION

The bus contracts of Alden Gamsby (Georges Mills and North Road) were taken over by Robert Wiggins last September under arrangements satisfactory to the School Board. These contracts expire in June, 1953.

It has been necessary for Mr. Arthur Nutting to continue the Wendell bus route inasmuch as the number to be transported is too great to be handled together with his regular route.

Both regular and spare bus drivers have been approved by the Board and reported to the Motor Vehicle Department as required by law.

REPAIRS

During the summer the entire building was given a thorough cleaning by the janitor. All floors were re-sealed.

Five class rooms, the Science Laboratory and the Principal's Office were painted.

Minor roof repairs were made. (It will be necessary to do a major repair job on the roof next summer.)

Several rooms at the Principal's house were painted.

NEW EQUIPMENT

Items of new equipment were:

One teacher's desk.

A number of pieces of science equipment for Physics, Chemistry and Biology.

One galvanometer for Shop.

Some rubber runners for Room X.

Two typewriters were exchanged.

Several pieces of playground equipment, donated by Ex-Governor John H. Bartlett, were set up by the Shop classes. This equipment is really enjoyed by the Primary pupils.

SCHOOL BUILDING COMMITTEE

The School Building Committee has held five regular meetings during the year.

On April 30, 1951, an open meeting was held with representatives of clubs and organizations present as well as a number of citizens. The ideas and opinions growing out of the meeting have been used by the Committee as a help in formulating this year's proposals.

In November, Messrs. William Lary and Norman Perkins were named as additional members of the Committee.

The major items of discussion, aimed toward improvement and modernization of the school plant, have included: heating plant, lighting, roof repairs, plumbing, lockers and space for installing them, more satisfactory toilet facilities, kindergarten, cafeteria, additional class room space, including special facilities for art and music and enlarged auditorium-gymnasium facilities.

The recommendations of the Committee fall into two categories:

- a. Improvements to existing building.
- b. Addition of at least a two class room unit with the necessary toilet facilities and storage space. (This would eliminate the use of the present basement class room (Room X). It is believed that this room and the adjacent area would make a satisfactory cafeteria — thereby relieving the Home Economics Laboratory and the Auditorium-Gymnasium from use as a hot lunch kitchen and serving area.)

In line with Recommendation A, separate articles are included in the warrant:

1. To improve the present school plant by installing new fluorescent lighting.
2. To improve the heating plant by converting to No. 5 fuel oil and making some changes in the existing radiation to allow more efficient operation. (By converting to oil, the present coal pocket would become available for storage purposes.)

In order to promote the idea of a class room addition, an article is provided to obtain the services of an architect to prepare plans and specifications. By so-doing, building plans could be ready, and if approval was voted at the 1953 Annual School Meeting, construction could start soon thereafter.

Respectfully submitted,
GORDON B. FLINT
Superintendent of Schools

A group of teachers at work at the 3-day Workshop in Art, held at Newport on November 26-28. All elementary teachers in the Union attended and, by completing two follow-up meetings, may obtain one credit of college work through this in-service training.

Various types of art materials were demonstrated with the emphasis on art projects and activities that could be carried on in the regular class room to correlate art with the teaching of other subjects.

The Workshop was especially valuable to the teachers inasmuch as there is no Supervisor of Art in this School Union.

ANNUAL REPORT OF THE PRINCIPAL

Superintendent Gordon B. Flint
Newport, New Hampshire

Dear Mr. Flint:

Commencement exercises were held on the evening of June 14, 1951 in the school auditorium. There were eleven graduates as follows:

Henry Achilles, Myrtle Benoit, Bernard Carey, Eleanor Chapman, Charles Colcord, Doris Collins, Hugh Collins, Patricia Collins, Alan Cooke, Carol Cross, and Elizabeth Osgood.

The Valedictory was delivered by Miss Doris Collins, Salutatory by Mr. Alan Cooke, and the Graduation Address by Prof. Lloyd Stanley Naramore of Hanover, N. H. Presentation of diplomas was by Superintendent Gordon B. Flint.

Recipients of prizes and awards at the Class Day and Graduation exercises were as follows:

Readers Digest—One year subscription to the Valedictorian.
Doris Collins

American Agriculturist Foundation—Schroll to the member of the graduating class excelling in Home Economics.

Elizabeth Osgood

Bausch & Lomb—To the member of the graduating class with the highest average in scientific courses.

Alan Cooke

D. A. R. Good Citizenship—To the member of the graduating class who exemplifies good citizenship.

Doris Collins

Becker Junior College Award—To the member of the graduating class who excels in Commercial subjects.

Myrtle Benoit

Balfour Plaque—To the member of the graduating class who, in the opinion of his or her classmates and the faculty, has exhibited outstanding qualities of citizenship, scholarship, loyalty and achievement.

Alan Cooke

Murvin A. Bailey Award—To the member of the graduating class who, in the opinion of his or her classmates and the faculty has shown those qualities which are essential for good citizenship.

Henry Achilles

S. A. R. Medal—To the member of the eighth grade who has the best citizenship traits.

Norma Perkins

Babe Ruth Foundation Award—To a boy and a girl member of the graduating class who has exhibited outstanding qualities

of sportsmanship in the school, the home, church and community.

Myrtle Benoit

Bernard Carey

Members of the graduating class have entered the following educational institutions, armed services, employment, or married. Dartmouth College 1, Navy 2, Air Force 1, Nursing (Elliot Community Hospital) Keene, 1, Working 3, Married 3.

Driver Education, psychology and a second year of typing were added to the curriculum in an effort to more adequately meet the needs of pupils.

The University of New Hampshire testing program was conducted in the eighth grade and sophomore class, to assist in guiding pupils in the selection of courses for their secondary and post-secondary education.

Physical education classes were continued for the fifth, sixth and seventh grades and art work has been more evident as the result of an art workshop held during the year.

In administering the educational program for Sunapee, the Principal believes there is sufficient need to warrant the immediate addition of rooms and equipment to the present school plant.

Among the most urgent demands are:

Better classrooms for the elementary grades now using an emergency basement room. More adequate locker rooms and lockers for the physical education program and athletic team dressing rooms. Athletic equipment storage is also a problem.

Toilet facilities which would segregate elementary and secondary pupils.

Facilities for the preparation and serving of hot lunches to enable an increase in the use of the present kitchen and gymnasium in the teaching of Home Economics and Physical education.

Better facilities for teaching music in both large and small groups, with storage space for music and instruments.

Storage facilities for classroom equipment, dramatics and auditorium chairs.

The need for a more adequate gymnasium is immediate and should be part of the over-all plan in the building expansion program.

Respectfully submitted,

RALPH H. MEACHAM

SUNAPEE SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of Sunapee qualified to vote in District Affairs:

You are hereby notified to meet at the I. O. O. F. Hall in said District on Tuesday, the eleventh day of March, 1952, at one-thirty o'clock in the afternoon to act upon the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Member of the School Board for the ensuing three years.

Article 4. To choose a Treasurer for the ensuing year.

Article 5. To choose one or more Auditors and such other Officers and Agents as the voters may judge necessary.

Article 6. To hear and act upon the reports of the School Board, Treasurers, Auditors, and Committees heretofore chosen.

Article 7. To see if the District will vote to raise and appropriate \$60,445.21, as recommended by the School Board in its annual report, for the support of schools, for the salaries of district officers, and for the payment of the statutory obligations of the district; and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income estimated at \$2,624.54; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Article 8. To see if the District will vote to authorize the School Board to repair and make alterations, including the installation of an oil-burning boiler, to the heating system at the Central School and authorize the School Board to issue serial notes for an amount not to exceed \$8,500.00, in the name of and on the credit of the District for the payment of said repairs, alterations and oil-burning boiler; said notes to be issued pursuant

to Chapter 72 of the Revised Laws of New Hampshire and any amendments thereto; and to authorize the School Board to determine the time and place of payment of the principal and interest, the rate of interest and all other matters in connection with the financing of this project.

Article 9. To see if the District will vote to authorize the School Board to repair and make alterations, including the installation of new fixtures, to the lighting system in the Central School and authorize the School Board to issue serial notes for an amount not to exceed \$3,500.00, in the name of and on the credit of the District for the payment of said repairs, alterations and fixtures; said notes to be issued pursuant to Chapter 72 of the Revised Laws of New Hampshire and any amendments thereto; and to authorize the School Board to determine the time and place of payment of the principal and interest, the rate of interest and all other matters in connection with the financing of this project.

Article 10. To see if the District will vote to authorize the School Board to employ the services of an architect to prepare plans and specifications for making alterations to, or the expansion of, the present Central School plant and raise and appropriate the necessary money to pay for said services.

Article 11. To transact any other business that may legally come before said meeting.

Given under our hands this 18th day of February, nineteen hundred and fifty-two.
